

Outstanding Reviewer Awards in 2023

The individuals named below have been recognized as recipients of Outstanding Reviewer Awards in 2023

The editors of the *Journal of International Nursing Research (JINR)* wish to express gratitude to the individuals named below for their efforts in reviewing manuscripts on behalf of *JINR*.

Their invaluable contributions in the form of thorough reviews and constructive comments toward improvement of numerous manuscripts are greatly appreciated.

Along with our sincere thanks for their participation in peer reviews, we at *JINR* look forward to working with them in the future.
